Who we are

A TRUSTED RTC FOOD SPECIALIST SERVING **HOReCA**

Born out of K2Farms, we've been Coimbatore's trusted source for high-quality free-range country chicken since 2020. What started with a commitment to clean, honest meat has now grown into something bigger — a range of ready-to-cook foods crafted for the fast-moving HoReCa industry.

Under our new banner, Triken Chef's, we bring the same dedication to quality and taste — straight to our clients' freezers, ready to serve in minutes.

Pre-prepped for Busy Kitchens

Triken Chef's range of ready-to-cook products is designed for the fast-paced world of food service. Every product range of ours comes pre-prepared so that the food service providers save hours in kitchen.

Curated by Culinary Experts

Our products are more than just a snack. Chefs from various cuisines and cultural backgrounds have diligently curated our recipes. The unique blend of regional ingredients, along with the masters' expertise, evokes your affinity for the respective culinary heritage.

Great Products Need Great PARTNERS TO REACH FARTHER

We're expanding — and we're looking for strong, growth-minded partners to join us. Whether you're a seasoned super-stockist or an established distributor, Triken offers you a fast-moving product range, solid margins, and real support in reaching the HoReCa industry.

JOIN HANDS WITH TRIKEN CHEF'S

Super Stockist

- You work directly with us.
- You operate at a regional level (state or zone).
- You bulk-buy from us and stock in large quantities.
- We appoint distributors under you across cities or districts.
- Main responsibility: Ensure product availability and manage stock movement across multiple areas.

Distributor

- You buy from the super-stockist.
- You cover a specific smaller geography like a city, cluster of towns, or a district.
- You supply our products to retailers, HoReCa outlets, or sub-dealers.

OUR VALUE PROPOSITIONS

Fast-Moving, High-Demand Products

Our ready-to-cook range taps into India's growing demand for quick-service dining. From momos to manchurian balls, every SKU is designed for repeat orders.

Better Margins Across the Chain

Structured pricing gives super-stockists and distributors a healthy cut, ensuring profitability at every level.

End-to-End Sales Support

From pitch decks to sampling kits, co-branded flyers to institutional leads — we actively support you in winning new HoReCa clients.

Category Education Training

We train your sales reps and clients on cooking, serving, and marketing RTC products — reducing resistance and boosting adoption.

Consistent Supply. Minimal Disruptions.

With robust cold-chain logistics and production planning, we ensure timely replenishment and minimal downtime.

Partner-Focused Relationship

You're not just a link in the chain. You're a growth partner. With regular reviews, exclusive previews, and shared success targets, we grow together.

MOMOS

India's Favourite Snacks,
Now HoReCa Ready

From classic chicken to bold Indo-Chinese and regional twists, Triken Chef's ready-to-cook momos are crafted to suit every palate.

PROTEIN POWERHOUSES

From the House of Triken

TRIKEN[®] *Chef's*

Chef-curated food products that are ready to cook. Exclusively conceived for HoReCa, where preparation time is never enough.

2021

2021

A convenient protein brand offering fresh meat products that are cut, cleaned, and delivered on the same day of procurement. Hygiene and convenience is the top-most priority.

A dedicated brand for free-range native country chicken raised independently on farms and groves. Inspired by the traditional cuisine of our age-old culture.

2020

Fuel Your Food Chain.
Power Your Profits.
